Sheri

I know we don't go to DAB until Dec 1 to talk about Park Front. However, reports for the 12th need to be submitted by the Nov 28, so if you want this approved before the end of the year, you will need to write it like it's final and get it to me by the 23rd (which is this Wednesday). We can pull it from the agenda at docket on the 6th if it's not going to go.
