The appraisal has been ordered, should be done in 2-3 weeks. We are on track to break ground end of August/beginning of September.

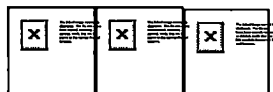

Thanks!

Hi TJ, thank you for the contract. Do you have any updates on when your appraisal will be completed so the bank can convert their letter of interest to a funding commitment? Is everything still on track for when you anticipate being able to pull permits? Thank you, Sheri

Hi Sheri,

I think this is the last thing you need from me. Please let me know if there is anything else.

Sincerely,
